Teaching Fundamental Skills through Music FunTime

Forté Music School is a top-tier music school that has been providing exceptional music education to children and adults of all ages and skill levels since 2006 in Toledo. Besides one-on-one music lessons, the school offers a Music FunTime group program for children aged 18 months to 7 years old, making it a perfect choice for parents looking to introduce their young children to the world of music.

The Music FunTime program is a fun and engaging way for young children to explore music. It focuses on fundamental concepts such as rhythm, melody, harmony, and others, which will provide a solid foundation for advanced music lessons in the future. The program is taught by experienced instructors who are passionate about teaching music to children.

Studies have shown that early exposure to music will highly benefit children in various ways, such as improving their language and math skills, memory, cognitive abilities, and so much more! Learning to play a musical instrument can also contribute to developing essential social and emotional skills like teamwork, self-discipline, and self-expression.

Forté Music School offers a broad range of lessons and programs to cater to each student's unique musical interests and style, whether it's piano, voice, guitar, drums, or any other musical instruments. The school encourages children to explore their musical interests and provides a supportive environment for their growth and development. No wonder it is a favorite among Toledo parents!
